DENTAL SERVICES

§ 17.160 Authorization of dental examinations.

When a detailed report of dental examination is essential for a determination of eligibility for benefits, dental examinations may be authorized for the following classes of claimants or beneficiaries:

(a) Those having a dental disability adjudicated as incurred or aggravated in active military, naval, or air service or those requiring examination to determine whether the dental disability is service connected.

(b) Those having disability from disease or injury other than dental, adjudicated as incurred or aggravated in active military, naval, or air service but with an associated dental condition that is considered to be aggravating the basic service-connected disorder.

(c) Those for whom a dental examination is ordered as a part of a general physical examination.

(d) Those requiring dental examination during hospital, nursing home, or domiciliary care.

(e) Those held to have suffered dental injury or aggravation of an existing dental injury, as the result of examination, hospitalization, or medical or surgical (including dental) treatment that had been awarded.

(f) Veterans who are participating in a rehabilitation program under 38 U.S.C. chapter 31 are entitled to such dental services as are professionally determined necessary for any of the reasons enumerated in § 17.47(g).

(Authority: 38 U.S.C. 1712(b); ch. 31)

(g) Those for whom a special dental examination is authorized by the Under Secretary for Health or the Assistant Chief Medical Director for Dentistry.

§ 17.161 Authorization of outpatient dental treatment.

Outpatient dental treatment may be authorized by the Chief, Dental Service, for beneficiaries defined in 38 U.S.C. 1712(b) and 38 CFR 17.93 to the extent prescribed and in accordance with the applicable classification and provisions set forth in this section.

(a) *Class I.* Those having a service-connected compensable dental disability or condition, may be authorized any dental treatment indicated as reasonably necessary to maintain oral health and masticatory function. There is no time limitation for making application for treatment and no restriction as to the number of repeat episodes of treatment.

(b) *Class II.* (1)(i) Those having a service-connected noncompensable dental condition or disability shown to have been in existence at time of discharge or release from active service, which took place after September 30, 1981, may be authorized any treatment indicated as reasonably necessary for the one-time correction of the service-connected noncompensable condition, but only if:

(A) They served on active duty during the Persian Gulf War and were discharged or released, under conditions other than dishonorable, from a period of active military, naval, or air service of not less than 90 days, or they were discharged or released under conditions other than dishonorable, from any other period of active military, naval, or air service of not less than 180 days;

(B) Application for treatment is made within 180 days after such discharge or release.

(C) The certificate of discharge or release does not bear a certification that the veteran was provided, within the 90-day period immediately before such discharge or release, a complete dental examination (including dental X-rays) and all appropriate dental treatment

indicated by the examination to be needed, and

(D) Department of Veterans Affairs dental examination is completed within six months after discharge or release, unless delayed through no fault of the veteran.

(ii) Those veterans discharged from their final period of service after August 12, 1981, who had reentered active military service within 90 days after the date of a discharge or release from a prior period of active military service, may apply for treatment of service-connected noncompensable dental conditions relating to any such periods of service within 180 days from the date of their final discharge or release.

(iii) If a disqualifying discharge or release has been corrected by competent authority, application may be made within 180 days after the date of correction.

(2)(i) Those having a service-connected noncompensable dental condition or disability shown to have been in existence at time of discharge or release from active service, which took place before October 1, 1981, may be authorized any treatment indicated as reasonably necessary for the one-time correction of the service-connected noncompensable condition, but only if:

(A) They were discharged or released, under conditions other than dishonorable, from a period of active military, naval or air service of not less than 180 days.

(B) Application for treatment is made within one year after such discharge or release.

(C) Department of Veterans Affairs dental examination is completed within 14 months after discharge or release, unless delayed through no fault of the veteran.

(ii) Those veterans discharged from their final period of service before August 13, 1981, who had reentered active military service within one year from the date of a prior discharge or release, may apply for treatment of service-connected noncompensable dental conditions relating to any such prior periods of service within one year of their final discharge or release.

(iii) If a disqualifying discharge or release has been corrected by competent authority, application may be made

within one year after the date of correction.

(Authority: 38 U.S.C. 1712)

(c) *Class II (a)*. Those having a service-connected noncompensable dental condition or disability adjudicated as resulting from combat wounds or service trauma may be authorized any treatment indicated as reasonably necessary for the correction of such service-connected noncompensable condition or disability.

(Authority: 38 U.S.C. 501; 1712(a)(1)(C))

(d) *Class II(b)*. Certain homeless and other enrolled veterans eligible for a one-time course of dental care under 38 U.S.C. 2062.

(Authority: 38 U.S.C. 2062; 38 U.S.C. 1712(a)(1)(H))

(e) *Class II(c)*. Those who were prisoners of war, as determined by the concerned military service department, may be authorized any needed outpatient dental treatment.

(Authority: Pub. L. 100-322; Pub. L. 108-170; 38 U.S.C. 1712(b)(1)(F))

(f) *Class IIR (Retroactive)*. Any veteran who had made prior application for and received dental treatment from the Department of Veterans Affairs for noncompensable dental conditions, but was denied replacement of missing teeth which were lost during any period of service prior to his/her last period of service may be authorized such previously denied benefits under the following conditions:

(1) Application for such retroactive benefits is made within one year of April 5, 1983.

(2) Existing Department of Veterans Affairs records reflect the prior denial of the claim.

All Class IIR (Retroactive) treatment authorized will be completed on a fee basis status.

(Authority: 38 U.S.C. 1712)

(g) *Class III*. Those having a dental condition professionally determined to be aggravating disability from an associated service-connected condition or disability may be authorized dental

§ 17.162

treatment for only those dental conditions which, in sound professional judgment, are having a direct and material detrimental effect upon the associated basic condition or disability.

(h) *Class IV.* Those whose service-connected disabilities are rated at 100% by schedular evaluation or who are entitled to the 100% rate by reason of individual unemployability may be authorized any needed dental treatment.

(Authority: 38 U.S.C. 1712)

(i) *Class V.* A veteran who is participating in a rehabilitation program under 38 U.S.C. chapter 31 may be authorized such dental services as are professionally determined necessary for any of the reasons enumerated in § 17.47(g).

(Authority: 38 U.S.C. 1712(b); chapter 31)

(j) *Class VI.* Any veterans scheduled for admission or otherwise receiving care and services under chapter 17 of 38 U.S.C. may receive outpatient dental care which is medically necessary, *i.e.*, is for dental condition clinically determined to be complicating a medical condition currently under treatment.
